SELECTIVE SERVICE SYSTEM

National Headquarters
Washington, D.C. 20435

Dear Editor,

A number of your male readers will be turning 18 this year and we need your help in reminding them of an important responsibility. That is, registering with Selective Service.

In case some of your readers aren't aware of it, Selective Service registration is a legal obligation. Every young man must register within one month of his 18th birthday. Registration is easy - all a young man has to do is fill out a card at his neighborhood post office.

We think the young men who are your readers need to know the simple facts about Selective Service registration. One reason is that registration is required for eligibility for most federal student loan and job training benefits.

Sincerely,

Industrial Appreciation Day Set For Saturday

The Elba Chamber of Commerce will sponsor its fourth annual "Industrial Appreciation Day" on Saturday, October 12 and Chamber Executive Director Jack Farmer announces that this year's event will be bigger and better than ever, with a day of fun-filled enjoyment in store for those of all ages!

The day is designed to help stimulate a public awareness of the major role area industries and businesses play in the development of Elba and Coffee County, while local civic organizations have joined hands to create a carnival atmosphere to attract area residents to the city.

Following is a brief outline of the day's activities:

BASS TOURNAMENT
The third annual Chamber of Commerce Pea River Bass Tournament will begin at 6:00 a.m. when a total of 26 boats will head out for nine-hours of fishing. The tournament is a "Buddy" tournament, which means two anglers will fish as a team in each boat. Thirteen local entries are among the teams set to fish, and everyone is invited to attend the official weigh-in at 3:00 p.m. at the boat ramp near the old City Pool.

Local fishermen are predicting a lot of fish to be caught, so it could be fun to see who weighs in!

8,000-METER ROAD RACE
Over 100 runners of all ages are expected to take part in the 8,000 Meter Road Race, set to begin at 8:00 a.m. at the Hawkins-Williams Recreation Park. T-shirts will be given to the first 100 runners to register and trophies will be presented to the Top 3 finishers in each age group, as well as the Top 3 overall male and female runners.

ARTS AND CRAFTS SHOW
The Fogg Bottom Arts and Crafts Festival, sponsored by the Chamber of Commerce and the Elba Jaycees, will feature all types of crafts made by some 75 exhibitors from across the southeast. The exhibitors will display their goods at booths set-up all around the courthouse grounds and there will be something for everyone.

The Arts and Crafts will be on display from 9:00 a.m. - 5:00 p.m., and that will give you plenty of time to stop and look at each and every booth!

LIVE ENTERTAINMENT
If entertainment is what you want, then Elba is going to be the place to be! Elba's own Sam Faulk, known as "Dr. Sam" to his thousands of listeners on WLWT in Montgomery, will emcee almost six hours of non-stop entertainment to take place at the courthouse lawn from 9:00 a.m. - 2:30 p.m. The list of entertainment includes the Elba High Marching Tiger Band (9:00-9:20), Show Twirlers Studio 55 (9:30-9:50), Elba Taekwondo Club (10:00-10:20), Florence Barnes and Friends (10:30-10:50), Elba JFA Quartet (11:00-11:20), Prize Drawings by Tiger Cubs (11:20-12:00), King's Four (12:00-12:20), and Roger Booth and The Country Connection (12:30-2:30).

The list of entertainment is truly top quality and no matter what you like, you'll find it here! On the way to the event, you'll find a lot of goodies to pass out, so be sure to come down!

PRIZE DRAWINGS
Over 100 different prize drawings will be held throughout the day with over \$2,000 in prizes to be given away. You can register at merchants all across town and you must be present to win!

PETTING ZOO
The Coffee County Young Farmer's will set-up a petting zoo at the vacant lot next to Dr. Strong's office from 10:00 a.m. - 4:00 p.m., and animals at the zoo will be farm animals of all kinds.

This one should be a "must stop" attraction for all our parents with small children!

DESSERT RECIPE CONTEST
A Dessert Recipe Contest and Tasting Tea will be held at The Peoples Bank from 10:30 a.m. - 1:00 p.m. and the public can taste the delicious goods for a \$1 donation. All local cooks are invited to bring their favorite recipes to the event and let everyone know just how good your cooking is!

OPEN HOUSE
Open House will be held at the Senior Citizens Center (9:00-3:00), featuring a quilt show and bake sale, as well as the new Fire Station (1:00-2:30 p.m.) and the Courthouse (1:00-2:30 p.m.) and everyone is invited to visit and view the buildings.

CATFISH SUPPER
The Elba Rescue Squad will hold a "Catfish Fry" at the City Park near the old city pool from 4:30 p.m. until the food runs out. Ain't nothing better than fresh fried catfish so don't worry about cooking. Eat with the Rescue Squad!

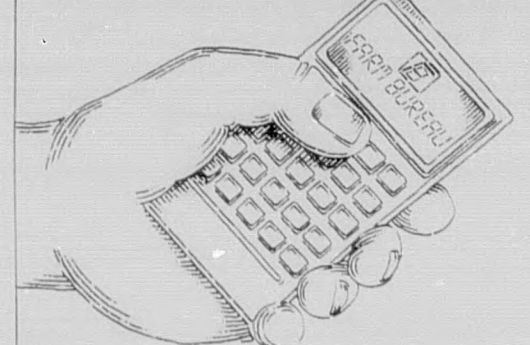

TUG-O-WAR
An old-fashioned "tug-o-war" contest will begin at 6:00 p.m., behind Elba Junior High School, with \$50 going to the winning team. All it takes to enter is 5 strong men, so enter and join the fun!

PROFESSIONAL WRESTLING
A U.S. man, over the top rope "Battle Royal" with \$5,000 to the winner will highlight a card of professional wrestling set to start at 8:00 p.m. at the Elba High gym. Other matches include Big John Harris vs. The Tennessee Stud, and a U.S. Junior Title match.

If you like excitement this will be the place to be!

As you can tell, this year's Industrial Appreciation Day is truly a fun-filled day with something for everyone!!!!

Legal Action May Follow Action Of Elba City Council On Pea River Hydro Dam

The continuing saga of making decisions concerning the future of the hydro dam on Pea River was still before the Elba City Council Monday night in a special meeting. However, the dam had to wait due to the untimely death of veteran council member Cleo Hawkins.

Council members felt they needed someone to fill the big empty space created by Hawkins' death and with council member Jack Prescott already in the hospital, the prospects of trying to operate with the minimum number of members was troubling. Adding the potential problem when one more member couldn't attend a meeting, the council felt it imperative that a replacement be named for Mr. Hawkins.

A motion by council member John Sharpless to name local businessman Robert Stephens to the unexpired term was seconded by council member Frances Trammell, and upon a motion by the only other

member present, Gladys Yelverton, that the nomination be closed, a vote was taken and with Mayor Bob English voting, Stephens received the required four affirmative votes to take a seat on the council. He was sworn in immediately by Judge Eric Paul.

The meeting progressed to opening bids from three potential lessees of the hydro dam. This was, according to English, due to the clause in the existing contract that required Elba Hydro to have a generator on line and producing by November 28, 1985. Elba Hydro spokesman Larry Bradford was asking the council for an extension on this, as he had faced delays but now had arrangements to install new turbines and be generating electricity before December 31, 1986.

Elba Hydro was the first proposal reviewed, and Bradford read from his written proposal and told council members of a graduated payment

plan whereby the city would receive \$10, \$20, and then \$40,000 from 1988 through 1996. After that year the payment guarantee would remain at \$40,000 and the city would receive a percentage of gross revenue, a percentage of production to ten percent in four years, and 15 percent in all following years.

The second bid considered was a joint bid from Barrett and Company and Progressive Hydro, Inc. They offered a 30-year lease with the first payment (\$55,000) being due within 45 days of signing of the contract and an annual lease of \$45,000. The city would have the option to purchase the site improvements between the 5th and 10th year at 10 times average annual production times the price per kWh at the time of execution of the option, but not over four million dollars.

The third bidder was Aquegney Systems with Ralph H. Walker,

president, making a presentation. Walker offered some variations of the above contract offers, and also presented a proposal to advise and manage the facility if the City of Elba chose to put the facility on line itself. He noted any estimate of production would be a guess and would vary in wet and dry years, and urged city officials to consider the performance records of the bidders. He did add in a 35 percent premium when production was above average.

Elba Hydro was then asked if they would include an option to buy the improvements and Bradford noted he had agreed verbally that if he could be operational by November 28 as noted in his contract, the project was still his.

Bradford said everyone knew that couldn't be done, but they would be forced to do everything in their power to be compensated justly in the courts and through the federal regulatory commissions. He continued with a statement that he had tried to give the city a fair shake and he was asking was a fair shake in return.

The \$34,000 loan from the federal government to complete a feasibility study on the project will have to be repaid if the dam is put back into production. Elba Hydro agreed to pay this figure, but Barrett said his firm couldn't add this to their already handsome offer.

English got an agreement from all three bidders that they would furnish a \$250,000 performance bond guaranteeing to be on line within 12 months, and also a bond guaranteeing the annual payments. The successful bidder must also furnish a financial statement indicating ability

to complete the project.

English noted he didn't relish the job of making a decision, but he recommended acceptance of the Barrett Company/Progressive Hydro proposal, as it appeared to offer more to the people of Elba immediately and in the future. He noted they included a \$55,000 payment within 45 days.

Sharpless made the motion to accept, it was seconded by Trammell. No council member had any further discussion, but Bradford asked if any arrangements had been considered for Elba Hydro for their investment during the past two years. The only comment was that if he could be operational by November 28 as noted in his contract, the project was still his.

Bradford said everyone knew that couldn't be done, but they would be forced to do everything in their power to be compensated justly in the courts and through the federal regulatory commissions. He continued with a statement that he had tried to give the city a fair shake and he was asking was a fair shake in return.

Following that statement, the council voted unanimously to accept the bid of Barrett Company, and the meeting was adjourned.

Bradford, who had his lawyer present, stated to this newspaper following the meeting that they "would have to take legal action over the way the city council has handled this entire matter, especially the conduct of the meeting on October 7."

Elba City Councilman Cleo Hawkins Dies Friday, Oct. 4

Cleo Hawkins, age 73, a member of the Elba City Council for over 21 years, died on Friday, October 4, at a Montgomery hospital after a brief illness.

Hawkins retired as a Civil Service employee on February 1, 1977, but was far from being retired as he devoted countless hours to the city, both as a councilman and volunteer

superintendent of the Water and Electric Department.

One of the city's most popular councilmen ever, Hawkins was re-elected without opposition a sixth term in 1984.

A member of the First Baptist Church, Hawkins is survived by his wife, Ruth.

Hawkins was a member of the Elba City Council for over 21 years, and he was a member of the Elba City Council for over 21 years, and he was a member of the Elba City Council for over 21 years.

Elba Homecoming Parade Set For Oct. 18

The 1985 Elba homecoming parade will be held Friday, October 18, at 4 p.m. and all merchandise, clubs and civic organizations are invited to have an entry.

Deadline to enter a vehicle or float in the parade will be Friday, October 18, at 7 p.m. To enter call 897-2266.

ROBERT STEPHENS was sworn in Monday night to serve the unexpired city council term of the late Cleo Hawkins. Pictured above during the actual ceremony when Stephens was administered the oath of office by Circuit Judge Eric Paul, right, included Stephens' wife, left. Looking on from behind the council table are city clerk Judy English, council member John W. Sharpless, Mayor Bob English, council members Frances Trammell and Gladys Yelverton.

Prior to bringing up the filling of the vacancy, Mayor English said Mr. Hawkins "was the senior member of this council and served us well. The utility department was in dire need of leadership and Mr. Hawkins gave the needed leadership. I am sure I speak for the entire council when I say his leadership and wisdom will be missed."

Following the swearing in, Stephens said, "It is with humility that I accept the position on the Elba City Council to which I have been appointed. I will do all within my power to justify to the people of Elba the confidence which the mayor and the council have placed in me, and I pledge to work for the continuing progress of the entire city."

BRAINSTORMS

By Ferrin Cox, Publisher

City councilman Cleo Hawkins died last week in a Montgomery hospital. We knew he was in bad shape, but expected him to come home in a few weeks. Hawk had served many years on the city government, beginning before this country boy found the path into Elba. During recent years he has done an invaluable service with his leadership of the Elba Water and Electric Department, a position he held without pay, just to serve the community. He and I often talked over our fishing plans, building that fishing hideaway, etc., but it was mostly just talk as we both kept planning to do all this "soon". His family is not alone when they feel the pains of the loss.

The report on city council member Jack Prescott is better, as Jack has come home from the Birmingham hospital and has been seen riding around town in the car this week. Jack is still under the care of a doctor but the fact he was allowed to come home is a strong indicator things are looking up and he will soon be back in full swing.

The annual Industrial Appreciation Day is scheduled for this Saturday. We are a little confused 'cause there is so much going on that day, we aren't sure which thing to choose as our favorite. However, you will not see this country boy at the wrestling match! Mama would spank me for tearing my clothes while wrestling a boy, and I ain't taking any chances with getting another lick with that peach tree switch.

My sons and I did make that trip to Auburn University last Saturday for the football game, a free meal, etc. The first two offensive plays looked like a replay of the Tennessee game, but from then on it was all Auburn, in fact I got kinda boring and it wasn't a question of "Will Auburn score?", but "Which player will score?" We don't think it will be that way this week when Florida State invades that same stadium. In fact, the guessers are leaning to Florida State to win this one.

Society is changing as can be seen by the repeated kidnapping and hijacking incidents in the news this year. The most recent case is of the cruise ship from Italy with all those vacationers on board. We don't know the solution for such radical actions, but there has got to be something society can do to at least curb such actions by extremists who are perfectly willing to kill innocent people to achieve their own goals.

New Brockton Native American Day To Be Held October 12th

The Ma-Chis Lower Creek Indian Tribe of Alabama is currently accepting applications for artists and craftsmen to exhibit in the second annual Arts and Crafts Show. The show will be held in downtown New Brockton, Alabama, on October 12, 1985. The booth fee is \$5.00 which will go to the New Brockton Volunteer Fire Department, Rescue Squad and/or Senior Citizens Program. This show is open to any type of arts and crafts.

Food will be available all day starting with breakfast at 6:30 a.m. Also there will be continuous entertainment starting at 10:00 a.m. This will include Indian Dance, Gospel Singing and High School Bands. There will be a Miss Friendship Beauty Pageant on October 5, 1985 at the New Brockton High School. Practice will be held October 3, 1985 at 6:00 p.m. The entrance fee is \$10.00.

Information can be obtained by calling Pennie Wright at 894-6039 or calling Pennie Wright at 894-6039 or

Banquet Benefits Ducks

The cause of North American waterfowl conservation was given an added boost this past week when the Elba Chapter of Ducks Unlimited committee forwarded more than \$4,400.00 raised at its recent banquet to Ducks Unlimited National Headquarters. Commenting on the festive event, local Ducks Unlimited committee chairman, Kenneth Calhoun, said, "It certainly was comforting to see such a large, enthusiastic turn out at this year's fund raiser. It's also reassuring to know that every dollar raised will be funneled directed into wetland habitat restoration program in Canada, where over 70 percent of this continent's ducks and geese are produced." Kenneth Calhoun went on to congratulate and thank members of the community who donated time and merchandise to guarantee the banquet's success.

Letter To The Editor

Dear Editor, October 6-12 has been designated "Mental Illness Awareness Week" by Congressional resolution. In the spirit of this week, I want to express thanks to those who are working on behalf of persons suffering from this tragic disease. We have many Alabamians so dedicated and they deserve our unlimited gratitude. In this work they serve primarily the ill ones and their families, but, beyond that, they are serving the nation-for mental illness is a national problem.

The message of Mental Illness Awareness Week is one of hope: first, the hope generated by the phenomenally productive research on the brain during the past decade at the National Institute of Mental Health and second, the hope that better understanding of the illness will be achieved by the dissemination of information.

In that latter hope, I would like to pass on to your readers some pertinent facts and ask that they study them and seriously consider joining in the national effort to win the battle against this devastating disease.

***Disabling mental illness such as schizophrenia, manic depression and severe depression afflict between 10 and 20 million Americans.

Mr. and Mrs. B.G. Brounlee of Hanahan, South Carolina, announce the engagement of their daughter, Sarah Brounlee, to Lt. William Gregory Corder (USAF) of Elba.

Sarah is a 1981 graduate of Trident Technical College, Charleston, S.C. She is employed by Burkett, Woody, Cisa and Styles.

Lt. Corder is a 1982 graduate of Troy State University. He is the son

of the late Carolyn Watson Corder of Elba, and Major Phillip C. Corder (USA) of Stone Mountain, Ga.

He is the grandson of Mrs. Ollie Watson and the late John Watson of Elba.

The wedding is planned for October 19, at Old St. Andrews Episcopal Church, Charleston, S.C.

All friends and family are invited to attend.

Three-In-One Study Club

Entertained By Mrs. Jacobs

The Three-In-One Study Club members assembled in the home of Mrs. Joe Jacobs for their October meeting. Mrs. Edwin Lord served as co-hostess.

Before the call to order, guests and visitors were served a tasty plate of dainties and pink satin punch.

Mrs. Jacobs, club president, presided. Mrs. Ray Trammell called the roll and read the minutes of the September meeting.

Mrs. E.M. Warr gave a full treasury report.

A letter of appreciation from Mrs. Marvin Robbins was read and accepted. Other routine business was properly disposed of and set in order.

"Slow Down and Live" was the title of Mrs. L.P. Morrow's devotional.

Mrs. Jacobs introduced guest artist, Mrs. R.P. McFadden, who showed slides and commented on the McFadden's late summer tour of the Holy Land and Europe. Members enjoyed her enjoyment and appreciation of this presentation by Mrs. McFadden.

Answering roll call were Mrs. E.M. Warr, Mrs. Ray Trammell, Mrs. Mary Prescott, Mrs. L.P. Morrow, Mrs. Edwin Lord, Miss Eleanor Lee, Mrs. J.W. Kendrick, Mrs. Joe Jacobs, Mrs. James English, Mrs. Pauline Allen and Mrs. Nellie B. Martin.

Local Jaycees And Jayceetes Merge

The Elba Chapter of Jaycees and Jayceetes have become one organization under the name Jaycees as a result of the court order mandating that sexual discrimination would not be allowed in Jaycees and women would be allowed to join this organization. As members of this organization we feel that this move will enhance our ability to better serve our community," said a spokesperson for the group.

Anyone 18 years of age or older who enjoys developing lasting friendships while serving the community may be a candidate for membership. Those interested in joining the organization may contact Kenneth Calhoun 897-3776 or be at the next meeting on October 17, at 7:00 p.m. at Beaverdam Restaurant in Elba.

Jaycees meet every first and third Thursdays of the month.

The 1965 graduating class of Elba High School held their 20-year reunion the weekend of September 27 and 28. The activities began Friday night with class members assembling at the Elba-Pike County football game. After the game the group gathered at the Beaver Dam Restaurant for several hours of reminiscing. Saturday a group enjoyed lunch at a local restaurant. Saturday night the class again assembled at the Beaver Dam Restaurant to enjoy a delicious seafood buffet and program. Approximately 50 class members attended with their spouses, and reported a successful and enjoyable reunion. Another reunion is planned in five years.

Those attending were Marilyn Arnold Brennan, Drexel Booth, Catherine Bowden Young, Buddy Bowers, Rachel Bowers Weaver, Jimmy Bryan, Margaret Bryan Powell, Phillip Burkett, Sandra Cain Leonard, Sam Carley, Harriett Collier Westbrook, Susan Cooper Bernstein, Tommy Corley, June Crocker Grimes, Ronnie Danford, Robert Donaldson, Ralph Farris, Ed Gallion, Janet Hazen DePina, Jane Head Gunter, Billy Rex Kelley, Ernestine Kelley Buie, Kathy Kelley King, Johnny Kendrick, Freddie Lanford, Jesse Lee, Gail Maddox Jones, Glenda Marler Frazier, Mahlon Mooney, Gail Murphy Cooley, Gloria Nelson Jirnght, Patrick O'Flynn, Martha Jo Parker Watkins, Les Pinkard, Gennette Plant Bryan, Carole Proctor Tolbert, George Sanders, Farrell Smith, Judy Smith Johnson, Lynda Thomas Boyce, Linda Thomas Smith, Ronnie Vaughan, Jerry Wambles, Harvey Waters, Frances Jo Windham Waller, Herbert Wise.

Former Junkie To Speak At Assembly Youth Rally

Luis Torres, former junkie, recording artist and television personality will speak at a youth rally, Saturday, October 12 at 7 p.m. at the First Assembly of God, New Brooklyn, and again at 11:00 a.m. Sunday, October 13.

Called incorrigible by his court-appointed attorney, Torres faced 15-30 years in prison on seven indictments. At fifteen he had graduated from marijuana to heroin, first snorting, then skin-popping and finally maintaining. To support his growing addiction he stole over 250 cars, broke into homes, and even stole from his parents. Severe hepatitis from dirty needles landed him in a hospital under constant guard. His friends weren't able to get him out, but were able to get him into a hospital under constant guard. His friends weren't able to get him out, but were able to get him into a hospital under constant guard.

Released through a miracle, Luis found his way to the Teen Challenge Center and entered their training program. Today, he speaks on college campuses at high schools,

Elba Ministerial Association Provides Community Services

The Elba Ministerial Association consists of the pastors and ministers of Elba and the surrounding communities. The association is an integral part of the area and serves various needs of the community.

In addition to spiritual leadership provided by the pastors to their individual congregations, the association also provides a weekly service at the Elba Nursing Home on Wednesdays at 11 a.m.; a daily five-minute devotional on Station WELB at 11:30 a.m.; as well as a weekly column in *The Elba Clipper*.

Also, the association sponsors a city-wide annual Thanksgiving service which is held at one of the local churches.

Any minister in Elba or surrounding areas is cordially invited to join the fellowship of the association at their weekly meeting at 8 a.m. Thursdays, at Becky's Buffet in Elba.

For further information about the association, contact either of the following officers: Rev. David Richburg, Rev. Tommy Karr, or Rev. Fred Fowler.

ELBA TIGERS TAKE A WEEK OFF

The Elba Tigers were off last week and I think it really came at a good time. The Tigers were battered and bruised after five tough games and the week off gave 'em a chance to relax, heal up and get ready for some very rough games. At the start of the season, most Elba fans were talking about a losing season and didn't think the Tigers would win but two or three games. Well, the Tigers are 4-1 at the split, and after a week off I think they'll come back strong and continue to surprise folks. I'm looking forward to the rest of the season and am confident the Tigers are a long way from hanging up their cleats!

COUNTY SCHOOLS JUST KEEP ON WINNING

The Coffee County schools continued their winning ways last week as two of the three teams posted wins. It's been a mighty good year for the county teams and it looks like the season is a long way from being over. Here's a quick look at what happened last week:

***New Brockton rolled over Samson 33-0 and now has outscored its victims 194-3 in posting six straight wins. The Gamecocks were expected to be a good team this season, but nobody expected them to be a powerhouse and rank among the elite teams in the state. Coach Boutwell has been considered one of the state's top young coaches for years and this year's success will undoubtedly bring him bigger and better offers for the future.

***Zion Chapel clubbed Florala 33-0 and in doing so clinched a berth in the Class 2A playoffs. The Rebels have had an up-and-down year, but have plenty of talent and more than their share of muscle, and could continue to improve and surprise some people before it's all over. Coach Moates and his troops are to be commended for their success and I'm sure they will all work hard to prove the losses were flukes.

***Kinston ran into a buzzsaw in the Dozier Tigers and got whipped 46-12 in a game that saw three Bulldog starters injured. Kinston never quit and didn't play that bad -- it was just a case of Dozier having too much speed for the 'Dogs to contend with. Kinston's Coach Moody has done a super job in leading his team to four wins and I know the players will keep on working and try to post their second winning season in a row.

I FINALLY GOT TO WATCH A HALFTIME SHOW

I usually work on statistics during halftime so I can call all the daily papers before their deadline, and that means while I do get to hear a lot of halftime shows, I almost never get to watch one. Well, Friday night I went to Kinston with Greg Brunson and made pictures, which means Greg had to work at halftime and I got to watch the band. Kinston has one of the smallest bands I've ever seen, but they put on a good show and really caught my eye. The band was decked out in brand new uniforms, played songs I recognized and looked like they were proud of what they were doing and were having a good time. I don't know the band director or any of the kids in the band, however, I'd like to congratulate all of you for doing a super job and proving you don't have to be big to be good!

YOU JUST THOUGHT IT WAS FAKE

I watched Saturday night's "Main Event" on NBC and really had a good time yelling for the good guys and laughing at the bad guys! The show was a wrestling special with a couple of world championships on the line and the big match pitted Hulk Hogan against a bad guy named Nikolai Volkoff, a 300-pound Russian who stated in a pre-match interview that he would beat Hogan for the title and then return to Russia and "push the button" to drop the bomb on the good ole USA. Well, I'm sitting here typing this week's column, so it's obvious that Hogan won the match and saved us all from a nuclear war. My wife wouldn't let me watch all the matches, but at least I did get to see the one that really counted!

IS THE END IN SIGHT?

I've been president of the Elba Athletic Club for the past three years, and while all three years have been ultra-successful in raising funds, the attendance at the meetings has dwindled tremendously. The average attendance at a meeting is six members, while last week only four members came to watch the replay of the Elba-Pike County ball game. I'll admit the meetings aren't real exciting, but it is interesting to listen to Coach Wood narrate the films; and members are needed to get views on the club's activities. I'll agree that the people in Elba are great as far as providing funds for the club to distribute to the various sports at the school, and I guess that's what counts -- but I wish more members would come to the meetings and take an active part in the club!

ELBA VS. OZARK

The Tigers took last week off and should be fresh for their battle with the 6A Eagles. Ozark has won only one game all season and is obviously not a powerhouse; however, the Eagles play in a whole different world than the Tigers and will be out for revenge after last week's upset. I hope the Tigers prove me wrong, because I'm going with Ozark in a close one!

Ozark 13 - Elba 7

NEW BROCKTON VS. WICKSBURG
This game features two of the best defenses in the state in the small school ranks and should be a real head knocker. The Gamecocks are tuning up for their upcoming battles with Cottonwood and Houston County, but aren't about to get caught looking ahead and will pass this test with flying colors!

New Brockton 20 - Wicksburg 0

ZION CHAPEL VS. G.W. LONG

Zion Chapel is a hard team to figure out and has caused me fits all year. The Rebels could still be celebrating last week's win over Florala, and if that's the case this one could be closer than you think. I've got a feeling there's going to be an upset, but I'm going to pick the Rebels to start playing like

they should!

Zion Chapel 20 - G.W. Long 13

KINSTON VS. CONECH COUNTY

Kinston really got banged up last week and might have to ask for volunteers to have enough to make the trip! The Bulldogs are going to be a little short-handed and will be in for a tough game; however, I think they'll enjoy the long ride home.

Elba Tigers Hope To Spoil Homecoming Plans For Carroll High

The Elba Tigers will be hoping to spoil the homecoming plans at Carroll High School tomorrow night (Friday) when they journey to Ozark to battle the 6A Eagles.

Elba Jr. Tigers Fall To Luverne 8-0

The Elba Junior High Tigers saw their record dip to 1-3 last week when they lost to the Luverne Junior High Tigers 8-0, in Elba.

The first half was played in a steady rain and both offenses seemed to be water-logged as the two teams combined for only 3 first downs and 29 yards in total offense. Elba did manage to cross midfield once in the half and reached the Luverne 38-yard line behind the running of Leon Coleman, only to lose a fumble that killed the drive.

The second half started, like it would be a repeat of the first, as Luverne couldn't mount any offense and Elba fumbled away potential threats.

Luverne got the ball on its 33-yard line with only 2:14 left in the game, and while the fans were thinking "overtime", Luverne was thinking "win" -- and did just that!

The Eagles are off to a 1-5 start this season under coach Prattville Terry, but have played a rugged schedule and have to be looking forward to the visit from 4A Elba.

We scouted Ozark Friday night against Dothan," stated Elba's Coach Mack Wood. "They've got a good football team. The 1-5 record is no indication of the type team they have."

"On offense," said Wood, "they run a lot of different plays and formations and like to get outside on sweeps, quick pitches and reverses. They'll also put the ball in the air and come at you from all directions."

"On defense, Ozark uses both a five- and six-man front and they can line up and play real tough football. They have good size in the line and good quickness in the backfield."

"For us to win," said Wood, "we'll have to play as well as we can

after a running play gained 3 yards, Luverne broke the huddle and sent half its line to the ball and the other half almost to the sidelines. The quarterback took the snap, passed across the field to a back and the back broke two tackles at the line and then sprinted 64 yards for a touchdown. The two-point conversion was successful, and with 1:15 left in the game Luverne had taken an 8-0 lead.

An Elba pass was intercepted at midfield with :58 left and it looked like Luverne would simply run out the clock, but on second down the quarterback bobbled the snap and Elba linebacker Leon Coleman snatched the ball away and took off for the Luverne goal!

Coleman was tackled on the 28; however, a face mask penalty moved the ball to the 14, and with :10 left there was time for two plays. A pass fell incomplete on first down and on second down Elba's quarterback was sacked as Luverne claimed the win. Leon Coleman gained 76 yards on 16 carries to lead the Elba offense, while Rex Messick made 7 tackles to lead the defense and Stevie Sauls made 5 tackles.

Termite Tigers Remain Unbeaten With 6-0 Win Over Red Level

The Elba Termite Tigers remained undefeated last week by posting a 6-0 win over Red Level. The Tigers, now 4-0, scored in the first quarter on a 60-yard run by Chris Parrish and then used a stingy defense to hold on for the win.

Parrish gained 79 yards rushing during the game to lead the offense, while Kevin Boswell added 20 yards and Kenia Adkinson added 9. The defense was led by Chris Kelley with 11 tackles, Jason Self with 9 and Tony Hooks with 4.

Pee Wee Tigers Dump Red Level 14-0

The Elba Pee Wee Tigers came to life in the second half to dump Red Level 14-0, and upheld their record to 3-1.

Three fumbles kept the Tigers off the scoreboard in the first half, but Elba took charge in the second half and rolled to the win.

Elba took an 8-0 lead in the third quarter on a 24-yard touchdown run by Bobby Boswell and a 2-point conversion by Robin Stinson, and then upped its lead to 14-0 in the final stanza when Terry Goosby scooped up a fumble and ran 5 yards for a score.

Curran Caldwell gained 59 yards to lead the Tiger ground attack, while Bobby Boswell added 41, Rob Stinson 31 and Bennie Daniels 17. Ronnie Joe Edwards and Tim Caldwell made 12 tackles apiece and both blocked a punt to lead the defense, while Curry Jones had 5 tackles, and Curran Caldwell also blocked a punt.

and get after 'em. On offense we'll have to establish our running game and that means running the option to get outside and also establishing our inside game. We'll have to pass and have a good variety of plays, but most important we must block hard and run hard!

"On defense we must be sound and be ready for a lot of different things. We'll have to be well-disciplined at all times and stop their outside game and their passing. It's going to be a tough ball game and we'll have to rise up and meet the challenge head on!"

When asked about last week's open date, Coach Wood said, "I don't like open dates because it messes up the routine we've established. It did give us a chance to rest a little, but I think playing does you good than practicing once you get into the season."

County Schools On The Road

It will be time to pack the bags this week for the three County teams as all three will hit the road for important matchups as the football season resumes week #7. The top contest will pit unbeaten New Brockton against unbeaten Wicksburg, while the other games will have Kinston visiting Conech County and Zion Chapel battling G.W. Long. All games will have 7:30 kickoffs and will be played Friday night.

NEW BROCKTON [6-0] AT WICKSBURG [6-0]

The "Game of the Week" in south Alabama will pit the top two defensive teams in the state against each other in what is being billed as the "Bruise Bowl." New Brockton has totally dominated all its opponents thus far in the season and has allowed only a total of 3 points to be scored, while rolling up a whopping 194! The Gamecock offense is led by a solid front wall and area's top running back is Stefan Knox, a senior tailback who has gained 824 yards and scored 11 touchdowns. The Gamecocks defense is a punishing outfit that loves to hit and hates to give up points. The defense is paced by Kenneth Deetion, Keith Patterson, Delane Holloway, Phil Smith and Brett Blissett. New Brockton is a hard working team that earned everything it gets and dishes out punishment; a combination that is always successful!

Wicksburg has been a bully in 1A ranks as it has allowed only 7 points in six games and is already assured of a berth in the state grid playoffs. The Panther wins have come over Louisville 6-0, Kinston 12-0, Straughn 29-0, G.W. Long 16-7, Arton 27-0 and Coffee Springs 20-0 and it's obvious that the Panther defense has carried the load. Wicksburg will be at home and will be looking to knock-off the highly-touted Gamecocks, but New Brockton will be ready and this one will be a classic!

KINSTON [4-2] AT CONECH COUNTY [1-4]

Kinston will be battered and bruised after last week's loss to Dozier and faces an unknown opponent in the Conech County (last week) Devils. The Bulldogs fought gallantly and never gave up in the big 46-12 loss, but saw three

starters carried off the field with knee and ankle injuries and must overcome the lack of depth if they hope to chalk up win #5. One of the injured players was Paul Folmar, the 'Dogs top runner and defender, who could be out for two-three weeks with a severe ankle sprain. The Bulldogs have shown a lot of pride in the season and will have the reach down this week and find a dose of courage to add to it.

Conech County doesn't have a very good record, but the Devils have been in all but one of the 4 losses and is much better than most people think. The Devils' only win was over McKenzie 14-12, while the losses were to Flomaton 13-0, Lyffton 7-6, Red Level 33-0 and J.U. Blacksher 20-8. If the Conech County Devils are ready this one could be a real battle.

ZION CHAPEL [4-2] AT G.W. LONG [3-3]

Zion Chapel clinched a playoff berth last week, but that will mean absolutely nothing to the G.W. Long Rebels when the two arch-rivals hit the field Friday night in Skipperville. Zion Chapel, an up and down team all season, was up last week and demolished Florala 33-0 thanks to the defense that scored three touchdowns and set-up the other two scores. The Z.C. Rebels know that they can win at any time, but also know that a loss occurs when they don't get ready. It's time for the Rebels to start playing like a playoff team and that means playing well all four quarters every time they snap the helmet. This is an important game for the folks from Zion Chapel in more ways than one.

G.W. Long evened its record at 3-3 last week and could be one of the best 500 teams around. The Rebels have defeated Houston Academy 26-15 (a team that defeated Zion Chapel), Samson 28-0 and New Site 15-7, while losing to Coffee Springs 9-7, Wicksburg 26-7 and Kinston 26-7. Long has a dangerous team with the potential to beat anybody on any given night and you know they will be looking forward to the "Civil War" between these two troops of Rebels!

Fan support plays a large part in a team's success and really means a lot when they're away from home. All county football fans need to travel with their young athletes this week!!!

Rebels Smash Florala 33-0 To Earn Playoff Spot

BY: DANNY BELCHER

The Zion Chapel defense scored three touchdowns on pass interceptions and set up two other scores to spark the Rebels to an exciting

33-0 win over the Florala Wildcats, last Friday night in a key Class 2A, Area 4 contest played at Zion Chapel.

The win upped the Rebels' slate to 4-2 overall and 2-0 in the Area,

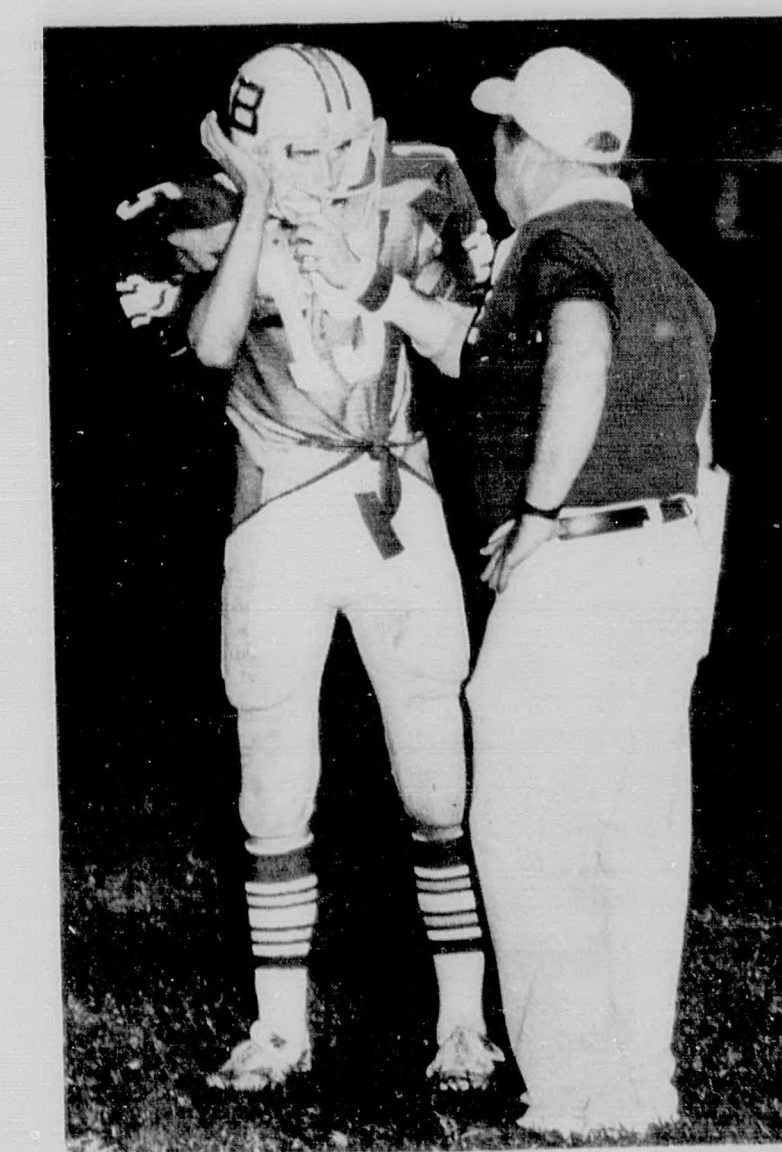

Rebel running back Bobby Hill (22) cuts behind the block of Darren Grant (44) and follows Chris Carnley (81) and Bryan Among (15) upfield.

Rebels Are Rolling Toward The 2A Playoffs !!!

STORY & PICTURES BY: BILLY WAYNE WILLIAMSON

The Brantley Bulldogs pulled out to a 28-0 first quarter lead in a 37-yard line following a punt and scored immediately as Keith Dorsey took a handoff and raced 75 yards for a touchdown! Dorsey added the extra point, and with 10:32 still left in the opening stanza the Bulldogs were off and running with a 7-0 lead.

The win upped Brantley's slate to 5-1, while Arton slipped to 1-4 with the loss.

Brantley's Coach Paul Woolley gives instructions to backup quarterback Shawn Wilcox (15) during the Bulldogs' 35-7 win over Arton.

and clinched a spot for the Rebels in the upcoming 2A football playoffs, while Florala fell to 2-4 overall and 0-2 in the Area.

The Zion Chapel offense showed signs of life early as it marched to three first downs and moved into Wildcat territory, but bogged down as it got inside the 30 and was forced to punt. The offense had chances to blow the game open early on the first three possessions as it got the ball in good field position, only to be stopped on downs at the Florala 34 and then fumble on consecutive drives at the Wildcat 29 and 32!

The Rebel defense decided to take things in its own hands late in the half and put Zion Chapel ahead when Vince Arnold intercepted a Florala pass and returned it 34 yards for a touchdown. The extra point attempt failed, but with 4:32 left in the half the Rebels were out in front 6-0.

Zion Chapel got the ball back in the closing minute of the half at the Wildcat 20-yard line, thanks to the aggressive play of the defense and this time the offense responded and cashed in the break to grab a 12-0 lead at the half. The short drive to paydirt came entirely on the ground and was climaxed

Carnley bulled over from 4 yards out with only :42 left on the clock!

The Rebel defense continued to dominate the outmanned Wildcats in the second half and set up the next score when it recovered a 'Cat fumble at the Florala 29-yard line. Dozier Grant got the call on the Rebels' first two plays following the

turnover, and on the second carry burst through a gaping hole and raced 26 yards for a touchdown. Sean Collins ran in for the two-point conversion, and with 2:55 left in the third quarter Zion Chapel had taken a commanding 20-0 lead.

Florala came out passing after the Rebel score in an attempt to get back in the game, but the Zion Chapel defense was ready and waiting and converted two interceptions into instant points to put the game out of reach!

The first interception came by Richie Rugg and resulted in a 34-yard touchdown jaunt, while Rugg also got the second interception and returned it 42 yards for his second touchdown in only 1 minute and 1 second! Chris Carnley added the p.a.t. following the score and with no time left on the clock in the third quarter the Rebels suddenly held a lopsided 33-0 advantage!

Zion Chapel threatened late in the game and reached the Florala 10-yard line behind the running of Thomas Boswell, but couldn't add to its lead, and at the final horn celebrated a 33-0 win and a spot in the playoffs.

Brantley Scores Early & Then Pulls Off The 'Dogs In 35-7 Win

STORY & PICTURES BY: BILLY WAYNE WILLIAMSON

Brantley got the ball on its 46 after another Arton punt, and six plays later was back in the endzone. The drive was sparked by running of Bernard Foster, while Keith Dorsey got the score on a 9-yard run and added the p.a.t. to up the lead to 14-0 with 6:26 left in the first quarter.

The Arton offense again went 1-2-3 punt on its next possession and by now Brantley was getting the hang of returning punts, and showed what it had learned as Barry Kendrick returned the punt 50 yards for a touchdown! Dorsey added the extra point, and with 4:14 left in the quarter the Bulldogs' lead was up to 21-0.

Arton returned to the airways on its next possession in an attempt to score quickly, and while a quick score did result, it was Brantley that got the touchdown when Mike Burnett intercepted a Purple Cat pass and returned it 26 yards for a score. Dorsey again added the extra

point, and with 3:37 still left in the first quarter Brantley's lead had ballooned to 28-0!

The Bulldogs got the ball right back on yet another Arton punt and again headed goalward, only to bog down in midfield. Steve Barrow boomed a punt downfield and Arton couldn't handle the boot, as the Bulldogs' Chad Kilcrease recovered at the Purple Cat 1-yard line.

Shawn Wilcox sneaked over for the touchdown and Dorsey made it 5 for 5 on extra points to up Brantley's lead to 35-0 with 0:29 left in the half.

Brantley threatened again late in the half when Steve Barrow blocked an Arton punt at the Purple Cat 6, but the Bulldogs fumbled the ball right back, and at the half Brantley went in with a 35-0 lead.

Arton got on the board late in the third quarter as it did 86 yards against the Bulldog reserves to end the scoring for the night. The score came on a 1-yard run by Richard Peters and the p.a.t. was good, as

Arton pulled within 35-7 with 2:25 left in the third quarter.

The Bulldog reserves tried to chalk up a score of their own late in the game and drove to the Arton 2-yard line, but couldn't reach paydirt and at the final horn the Bulldogs had the win 35-7.

Keith Dorsey gained 85 yards on 3 carries to lead 14 Brantley runners.

Brantley's Coach Paul Woolley gives instructions to backup quarterback Shawn Wilcox (15) during the Bulldogs' 35-7 win over Arton.

Bulldog running back Barry Kendrick (29) finds running room blocked by two Purple Cat defenders. The 'Dogs pulled out to a quick 28-0 lead and coasted to the win.

STORY AND PHOTOS BY BRANT LOCKIER

The New Brockton defense just seems to be getting tougher and tougher as the swarming Gamecock unit allowed the host Samson Tigers just four first downs and 27 total yards last Friday night in a 33-0 class 2A Area 4 romp for the Gamecocks of Coach Leavy Boutwell.

It was all over very early last Friday in Samson as the Gamecocks bolted out to a 26-0 halftime lead and coasted to an easy win in boosting their record to 6-0 overall and 1-0 in Area 4 play. Samson fell to 0-6 on the year and 0-1 in area play.

New Brockton took the opening kickoff and marched 59 yards in 14 plays to jump ahead 7-0. Steffen Knox bolted 40 yards on the first play from scrimmage to put the ball at the 19 of Samson. Two plays later quarterback Jon Paul Sawyer hooked up with tight end Keith Patterson for a 17-yard scoring pass. Patterson kicked the extra point and the Gamecocks led 7-0 with 9:32 left in the opening quarter.

Samson then ran 3 plays, gaining just one yard and punted to the New Brockton 41. The Gamecocks put together another drive keyed by the slashing Lamar, Kenneth Deetion and Knox. A crucial motion penalty proved to be costly and Samson stopped New Brockton at their own 21 on downs.

The Gamecocks defense took over on the next play as Delone Holloway knocked the ball loose from the Tiger quarterback Lamar. Daniels and Paul Truitt pounced on it at the Samson 8 yard-line. It took Knox two plays, getting the score on a 5-yard run on the final play of the first quarter. The extra point kick failed as the Gamecocks led 13-0.

Samson tried to get back on a second quarter began and moved the ball only 6 yards from their own 20 to the 26. A roughing the passer penalty gave Samson a first down in the short 7-play drive. The Tigers were forced to punt and New Brockton took over at their own

29. Six plays later Steffen Knox raced 33 yards for the third Gamecock touchdown. Knox had all but 4 of the yards in this march. A try for two was thwarted leaving New Brockton with a 19-0 lead.

Patterson set up New Brockton next score as he picked off a Daniels pass and returned it to the Tiger 29 yard line. Six plays later Deetion slammed in from the two yard line. Patterson's extra point kick was true and the 'Cocks led 26-0 with 1:50 left in the half.

Phil Smith recovered a Tiger fumble at the 20 yard line right before the half, but New Brockton

PLENTY TO CHEER ABOUT... The Gamecock cheerleaders had plenty to cheer about Friday night as New Brockton ripped Samson 33-0.

was unable to get off a play and the Gamecocks were forced to be content with the lead they had.

The second half kick-off revealed the kind of half it was going to be as the ball was kicked out of bounds twice, and when it was kicked in play Samson was penalized 15 yards and had the ball on its own 20 yard line.

The Tigers were unable to move the ball and had to punt. Knox took it 54 yards for a touchdown. Derek Smith's extra point ended the scoring with 9:15 left in the third quarter.

The Gamecock reserves played the rest of the way and it was a half moved by 12 penalties and 4 fumbles. New Brockton moved inside the Tiger 30 a couple times, but penalties and fumbles kept the 'Cocks from mounting any serious scoring threats.

Stat-wise the Gamecocks dominated play Knox leading the rushing attack with 157 yards on 15 carries. Deetion added 28 yards on 5 tries, while Donnie Smith had 53 yards on 7 rushes. Myron Williams added 26 yards, Curt Smith 7 yards and Mark Blair 24 yards. Sawyer was three of five passing for 28 yards.

Deetion was in on 8 tackles, Bret Bissette 4 and Todd Clark with 4 led the Gamecock defense as they registered their third consecutive shutout. They have not allowed a touchdown in 24 quarters and are only allowing only 60 yards a game against them.

Delane Holloway, Phil Smith, Bret Bissette, and Shawn Kelly recovered fumbles and Patterson had one interception for the winners. Knox has a total of 824 yards rushing on the year with 11 touchdowns.

The Gamecocks begin their stretch drive with 4 straight games against highly ranked Wicksburg (6-0), Cottonwood (5-1) and Houston County (4-1) and Zion Chapel (4-2).

Next week unbeaten 1A Wicksburg looms on the schedule. The Panthers are 6-0 and have only allowed 7 points this year. It will be the biggest game of the year so far for the Gamecocks and the Panthers.

NURSING HOME SPOTLIGHT

By Shirley Wise

For the week of October 10, we're visiting Mrs. John Stillman Daniels, the former Miss Ovie Reese Maddox of the Woodland Grove Community.

We will become acquainted with her and see her as viewed through the eyes of love by one of her daughters, Mrs. Fred (Jean) Moore. Miss Ovie is a petite, delicate-boned lady with still-black hair and blue eyes which twinkled with love and affection for her lively brood of seven children; and which could tell right off who started all the sibling tussles and quarrels generally associated with growing up in a large family of children.

As Jean said, "Mama had a penetrating gaze -- she could look at you and tell if you were fibbing or telling the truth!"

She has a lovely complexion -- smooth and tanned and youthful-looking.

Miss Ovie's parents were Bartow and Sally (Calhoun) Maddox. She was born January 28, 1907, on land which is now the Girl Scout reservation, but then was known as the Maddox home place. Mr. Bartow was a farmer.

She was one of 16 children; no one lady did not have 16 children -- but Miss Ovie's mother had 13 of those 16! Mr. Bartow was married twice and had three children by his first wife and 13 by his second. Miss Ovie was the youngest daughter and next to the youngest child of the second set of children.

Of those 16 children, four -- including Miss Ovie -- are living today. They are: Jesse Cephas Maddox, Florida; George Washington (Tampa) Maddox, Red Level; William Cornelius (Buddy) Maddox, Atlanta, Ga.

Miss Ovie received her education at the Pine Grove School and Elba High School. She finished the 7th grade, which was the highest, and then she and the Barker girls (Mrs. Pearl Moseley and Mrs. Nellie Martin) and their brother, Clinton, drove to Elba on Mr. Clinton's car, and there she completed the 10th grade. By the way, most of you senior citizens will probably remember Mr. Clinton by the name "Beck".

Jean said, "Mama was very smart, very intelligent. She could read something and understand it right away. She loved reading -- she was an avid reader, and especially loved reading the Bible and Bible commentaries." Jean said she has one of her mother's Bibles, and it is all written in where her mother wrote verses and notes on sermons.

"My mama could have been a teacher if she'd had the opportunities you and I have had. She had the patience of Job -- she never lost her temper or became ruffled." (I guess one has to learn patience with seven children; and never knowing who or how many might pop in for Sunday dinner and/or a afternoon visit!)

As Paul Harvey would say, "Here is the story behind that." Mr. Stillman was an amiable friendly soul who loved to talk, loved people and loved company; so on Sunday, after church, he was at the ask any and everybody within earshot to come and have "Sunday dinner" with them. Miss Ovie, Jean declared, never became flustered or upset. In fact, she said her mother "enjoyed cooking and having people in to eat and visit on Sunday." She said she could go into the kitchen and cook the most -- and the best -- food with the least amount of trouble and fuss and bother of anybody she knew!

Mr. Stillman -- Miss Ovie's beloved husband of 58 years -- was born in the Whitewater Community January 19, 1906, the son of M. and Mrs. Mose Daniels (Enma Braswell). He was a farmer and as Jean said, "If Daddy had had the opportunities we've had today, he would have made an excellent veterinarian."

Mr. Stillman was one of ten children; he had four brothers and five sisters, one of whom is Mrs. Ellis (Lora) King, who resides in Elba.

The couple was married August 5, 1925. After their marriage, they

Mrs. John Stillman Daniels

along with Mr. Stillman's parents, moved to the Basin Community where they lived for about two years. From there they went to the Woodland Grove Community, stayed about a year, then bought the old Reeves place where they lived, worked, played and reared their seven children until the death of Mr. Stillman December 9, 1983, and Miss Ovie's move to the nursing home in Elba in March, 1984.

When they were courting, Jean recalls her father saying he would walk from his home in the Whitewater Community (about a mile this side of the Wise Mill Bridge -- the F.T. White home place) to Miss Ovie's home in Woodland Grove, a distance of several miles. And, this was NOT after a day of lying around and watching television and getting up at 10 or 11 a.m. -- this was after a hard day's work on the farm, and getting up the next day at 4:5 a.m. to start again!

The seven Daniels children are: Lamar, who is married to the former Mary Jo Lowery of Elba. They are the parents of four children: Mrs. Wayne (Janet) Stambaugh, the mother of two children -- Sandy and David. They make their home in Montgomery. If Janet were asked her favorite dish "Mama Daniels Fried," she would say without hesitation, "biscuit pudding"; Joey, who lives in Elba and is the father of one son, Bryan; Stevie, who lives in Andalusia and is married to the former Jennifer Gafford of Andalusia. He is the father of one son -- LaDon; Tracy, who is married to Neal Stambaugh, brother of Janet's husband and they live in San Antonio, Texas. Tracy would say her favorite dish by her grandmother was tea cakes.

Jean, whose husband is Fred Moore, a native of Elba. They have two children: Patsy, who is married to Larry Carter of the Pine Level Community, and currently residing in Thomasville, Ala. and the parents of two daughters -- Holly and Meredith; and Freddie, who passed away in 1979 at the age of 26 1/2; Patsy and Freddie's favorite food of her grandmother's would be her cornbread.

Josephine, affectionately called Josie by her family, is married to Gene Myrard of Enterprise, and they reside in Tallahassee. They have two sons -- Joel, an employee of Wilbro's; and Jeff, in real estate in Panama City, FL -- he and his wife Lisa are expecting their first child in November.

Edna Earl, whose husband is J.P. Blair, originally from Elba. They are New Brockton residents and have two children: Cindy, who is married and lives in Tennessee, and Mark, a student at New Brockton High School.

Lloyd, who is married to the former Ella Faye Gaynes of Brantley. They are the parents of one son, Tim.

John and his wife (the former Glenda Sue Knotts of Jack) live only a short distance from the old Daniels home place and have two children -- Lisa, a student at UAB, and David, who still lives at home.

Spence, whose wife is the former Patti Bozar of Elba and they are the

parents of two children: Angie, in grade school, and Jessie Willard, age two.

That makes Miss Ovie the proud grandmother of 15 grandchildren and 6 1/2 great grandchildren. The grands lovingly call her "Mama Daniels" and called Mr. Stillman "Paw".

When asked some of Miss Ovie's hobbies, Jean replied, "She liked milking cows. Really, she enjoyed it. And she kept a milk cow until only recently. And she really enjoyed cooking and having company."

One of Jean's fondest memories is "when they were all little 'door-step' children. Her mother would dress them in their 'Sunday best' and 'in a row like little ducks' went with them to the Woodland Grove Baptist Church. Jean said she 'never complained -- and we walked!' I'm sure it is a good 2-2 1/2 miles from the Daniels home to the church.

"I can't bet you young'uns complained tho' -- right? Imagine dressing seven little children and then walking to church and walking back home, and then going into the kitchen and preparing a huge meal on a wood-burning stove yet! Fellow females, I don't think we're made out of the same stuff our ancestors were, do you? I know I ain't!"

When asked what sentence would describe her mother, Jean stated, "She was a devout Christian, a God-fearing Christian woman who believed in the Golden Rule."

Miss Ovie is a loyal and dedicated member of the Woodland Grove Baptist Church. Said Jean, "She loved her church; after her husband and children, her next love was her church."

Jean says she loves the color blue. Here are two sweet anecdotes concerning Miss Ovie. Jean said she never learned to drive, and Mr. Stillman said it was because "she tried driving one time and when she said, 'what and the car didn't stop, she never would try it again!' Miss Ovie's version, when asked why she never learned to drive -- was this: "Your daddy would have had me trotting from here to there, all over the place, running errands for him but I NEVER would have got my housework done!"

The second bittersweet, funny-yet-sad, tale is told by some of the nurses at the nursing home. They've told Jean that a couple of times Miss Ovie, traveling back through time in her mind, would busy, hectic, more productive bygone days of being a young housewife and mother, has lined up all her children for a "gathering" but so far she has skipped over Lamar and Jean and commenced the spankings with Josie and on down the line. Word was!

The nurses have also shared with Jean the enthusiasm and enjoyment Miss Ovie derives from the different community churches visiting the nursing home and having devotionals with the residents. She said they've told her Miss Ovie really enjoys the singing and sings louder than anybody else. Jean noted her mother always had a beautiful voice and always wanted to play the piano. She inherited her talent and love of music from the Maddoxes, all of whom are musically inclined.

Two memorable occasions for Miss Ovie -- one Mother's Day, all the children and their spouses and children surprised her by attending Woodland Grove Church that Sunday. She was in the choir and when they all started trooping in, Miss Ovie turned to the person next to her and said, "That's MY family" and then rushed from the choir loft and hugged every one of them! I don't imagine there were many dry eyes in that congregation that Mother's Day! As someone present remarked, "I could just feel the Holy Spirit in the church today!"

But, practical homemaker, Miss Ovie turned to Jean during the benediction and whispered, "WHAT are we going to fix for dinner?" But each family had brought covered dishes, so that was taken care of quite nicely.

The second occasion occurred when the children hosted their parents' golden wedding anniversary reception on Aug. 5, 1975, at

Woodland Grove Baptist Church. This was a highlight of Miss Ovie's life and one which she enjoyed tremendously. We KNOW Mr. Stillman also enjoyed it, as gregarious as he was, mixing and mingling with all his kin and friends. Jean said her father loved his relatives and believed in always attending family reunions.

In retrospect, Miss Ovie has had a good life, but like everyone else, hers has been tinged with sorrow and sadness. She has led a busy, useful, productive life and reared seven respected, good children, with Mr. Stillman's help, and now in her sunset years, is awaiting her Master's call, to hear Him say, "Well done, thou good and faithful servant!"

Go visit Miss Ovie and the other residents today; pat her on the back and say three magic little words -- "I love you!"

May the road rise to meet you, May the wind be always at your back, May the sun shine warm upon your face, The rains fall soft upon your fields, And, until we meet again, May God hold you in the palm of His hand.

Drewery Graduates From Office.

Leadership School

Sergeant Mark Drewery, son of Wayne and Margaret Drewery of Woodland Grove Baptist Church, graduated from the Tactical Air Command's Noncommissioned Officers Leadership School, Tyndall AFB, FL (Panama City), on October 1, 1985 and received an additional award of Drillmaster for outstanding flight drill commands and competition. Attending Mark's graduation, which was held in the Noncommissioned Officers Club, were his parents. Presenting the graduation diploma and awards as well as being the guest speaker was Brigadier General Richard A. Pierson, Commander of the U.S. Air Force Air Defense Weapons Center, Tyndall AFB, Florida.

The mission of the leadership school is to provide a professional military education program that will prepare selected sergeants and staff sergeants to assume positions of greater responsibility. The NCO Leadership School philosophy is that this goal can best be achieved by broadening leadership and management capabilities and by expanding students' perspective of the military profession.

The TAC NCO Leadership School is accredited by the Commission on Occupational Education Institutions of the Southern Association of Colleges and Schools. The school is affiliated with the Community College of the Air Force and graduates from this school receive four semester hours of credit from the Community College.

Mark resides at Tyndall AFB with wife, Brenda and daughter Tabitha.

ROUND AND ABOUT WITH ERIA

For news in this column
call Mrs. Eria Belcher - 897-2006

***Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in His law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper. The ungodly are not so, but are like the chaff which the wind driveth away. Therefore, the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous. For the Lord knoweth the way of the righteous, but the way of the ungodly shall perish. **PSALM 1:1-6**

THOUGHTS FOR THE WEEK
Monday -

And return it with one of your own.
Give someone new faith and hope. For such are too precious to keep.

Tuesday -
Gather a thought that's kind. One that's sincere and deep. But be sure to pass it along. For such are too precious to keep.

Wednesday -
Forget yesterday's old sorrows. Mistakes, sadness and pain. Lift your heart with hope and a song.

As flowers to sun and rain.
Thursday -

Offer a word of comfort and prayer.
To help someone in need.

A little thoughtful gift, some flowers or a smile.
Make us all rich indeed.

Friday -
You shall not pass this way again. So do any good you can do. Don't put it off till tomorrow. Or the chance may be lost to you.

Saturday -
Today will soon be a memory. So don't let it come to an end. Without a smile, without a song. Or just a word with a friend.

Sunday -
Don't let worry and care. Depress you or brush the day's joy away.

But rise and give thanks to God above.
For His love and another beautiful day.

***Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of the Lord; and in His law doth he meditate day and night. And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf shall not wither; and whatsoever he doeth shall prosper. The ungodly are not so, but like the chaff which the wind driveth away. Therefore, the ungodly shall not stand in the judgment, nor sinners in the congregation of the righteous. For the Lord knoweth the way of the righteous, but the way of the ungodly shall perish. PSALM 1:1-6

THOUGHTS FOR THE WEEK

Monday - And return it with one of your own.

Give someone new faith and hope so why every day, start something pleasant and helpful?

There are a lot of men in this world who started at the bottom - and stayed there. ---McDonald

Pastor's Eleventh Anniversary Rev. Charlie Jones, Oak Grove M.B. Church, Elba, October 13, 2:30 p.m. Theme: A New Commandment I give unto you, that ye love one another, as I have loved you, that ye also love one another. JOHN

Wednesday - Forget yesterday's old sorrows, Mistakes, sadness and pain, Lift your heart with hope and a song As flowers to sun and rain.

Thursday - Offer a word of comfort and prayer To help someone in need, A little thoughtful gift, some flowers or a smile Make us all rich indeed.

Friday - You shall not pass this way again, So do any good you can do, Don't put it off till tomorrow, Or the chance may be lost to you.

Saturday - Today will soon be a memory So don't let it come to an end Without a smile, without a song Or just a word with a friend.

Sunday - Don't let worry and care Depress you or brush the day's joy away But rise and give thanks to God today For His love and another bright day.

***Related birthday wishes to Edward Young, September 28; James Gosby, October 1, and Norma Young, October 2. ***Happy wedding anniversary to Mr. and Mrs. Glen Kelley (Ernestine) October 4.

Faculty Spotlight

This week's honored faculty member is **MRS. SARA MOODY**. Mrs. Moody has served Elba High School in the capacity of secretary for 19 years. She and her husband, Harold Moody, have one son and one daughter-in-law, John and Jan Moody. Mrs. Moody and her husband reside in Elba.

Guess Who?

This week's mystery person is a senior at Elba High. He is 17 years old and enjoys watching Alabama football games. His favorite colors are crimson and white and his favorite food is pizza. Can you guess who?

Galery should be avoided by those on low-salt diets. Substitute raw carrots, cauliflower, green pepper and radishes.

Basic Adult Education Offered

A large percentage of the adults in Coffee County can't fill out an application, read the newspaper, or read directions on prescription medicines. These adults are functional illiterates and are often embarrassed to ask for help which you can give!

The Adult Reading Program is a free service for adults with low or non-existent reading skills. Co-sponsored by the Elba City School System and Enterprise State Junior College, it provides these adults with one-to-one instruction to meet their individual needs. Instruction is tailored to the individual.

Any adult with low or non-existent reading skills is eligible. They should be 16 years of age or older, and have been out of school for at least six months.

The program continues throughout the year. It is very flexible and adults may join at any time. All instruction and materials are free.

You can help by referring adults who need basic reading instruction to the program. Volunteer tutors are also needed. The only requirement is the ability to read yourself. We will train you and provide you with materials.

If you would like to help an adult to read, please contact:

Miss Elba To Compete In Dothan

During the week of October 13, Starla Henderson will compete in Dothan for the coveted title of 1985 Miss National Peanut Festival. Contestants will be judged in such categories as taped interview, costume attire, Sunday attire, verbal communications, judge's interview, evening gown and essay.

While visiting Dothan, Starla will be staying with a host family and attending their church. Contestants will visit with elementary students and also appear with Red Holland on "Outdoors with Red."

Since being crowned Miss Elba in April, Miss Henderson has served as a hostess at the WTVY premiere season kickoff along with such celebrities as Peter Tompkin, Charles Woods, Bill Epsy and Red Holland. She has also assisted with many of the beauty pageants held in Elba.

Following in the footsteps of her mother, Mrs. Shirley Henderson, Starla has proudly represented the city as the 1985 Miss Elba.

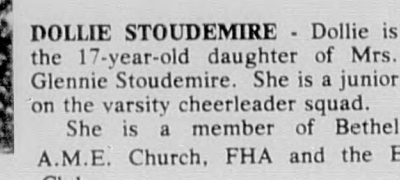

When asked what has been the most exciting event during her reign, Starla responded, "Just having the honor to represent such a wonderful city. Everyone has been so nice and helpful to make my reign as Miss Elba very enjoyable."

Starla is the daughter of Mr. and Mrs. Neil Henderson of Elba, and is a senior at Elba High School.

City School Board adopts \$3¼ million budget

The Elba City School Board of Education held its regularly scheduled meeting on Tuesday, October 8, and gave its formal approval to a budget for the upcoming fiscal year that totaled over \$3¼ million.

All members of the board were in attendance, including chairman Butch Oggs, Bill Cowart, Nadean White, Stan Marsh and Tom Maddox, as well as Supt. Billy Crews.

After the routine approval of

minutes of the previous meeting, Supt. Crews presented a proposed budget that he said "has no frills!" Crews reported the local board had an expected revenue of \$3.47 million, while expenditures were expected to total \$3.27 million.

The long-awaited "bond issue"

leaving an unappropriated total of almost \$200,000. Part of the additional funds will be used to pay off existing debts, while other funds, if actually present, will go toward other miscellaneous expenses.

Salaries take up over 65 percent of the total budget, while other operating expenses make up the remainder.

The board examined each and every section of the detailed budget and upon recommendation of Supt. Crews voted unanimously to adopt the budget as presented.

The board heard Crews state that to be used for construction of a new music department, and \$78,000 to be used to repair dressing rooms inside the gym and leaks in the ceiling of the dressing rooms, which are used daily by physical education students. An additional \$36,000 is planned for construction of a covered walkway leading to the gym, and \$20,000 is to be used to repair and replace doors at the high school complex. The preliminary uses will all but exhaust the bond money, but will not

necessitate the use of any discretionary money.

The only item that is set is the construction of the new music facility," stated Crews, "so, if there are any other improvements any board members can think of, please let me know. We can always change our plans before the funds actually arrive."

In other items discussed at the meeting, the board:

***was told all board members were taking the high school graduation exam and all seniors had already passed the exam;

***was informed that breakfast was now available at the high school for a minimal cost of 50 cents for students and 75 cents for faculty members; and gave its approval to the homecoming parade set for Friday, October 18, in Elba.

During Farm-City Week

Poultry industry to be featured

The question of which came first - the chicken or the egg - will be the focus of Coffee County's Farm-City Week activities this year. However, the poultry industry, the county's largest agricultural product, will be given top recognition.

Growers and processors of chickens have been added to the Farm-City Week planning committee, and efforts are underway to draw attention to this top money crop.

Coffee County has become the wiregrass leader in the poultry industry and has two large chicken processing plants in operation. These plants handle the hundreds of

thousands of chickens raised annually in all the huge wooden chicken houses that have sprung up in recent years to dot the rural landscape of this and neighboring counties.

Twenty-five years ago, poultry was primarily raised to provide chicken meat and eggs for the individual family. Today, Coffee County poultry is providing food for tables far and wide, and provides more income to the local farmer than any other crop. Only a couple of other counties in the state produce more poultry than Coffee County.

Other activities to be included in this year's Farm-City Week will be the Farmer of Distinction nomination, special farm tours for special students, a traveling farm zoo, speakers to civic clubs, agribusiness banquet, young farmers banquet, and other activities.

To oversee these activities, the following committees have been named:

Public Relations - Roy Shoffner, Dan Presley

Video Committee - Gayle Powell, Dan Presley, Donna Skelton

Military - Coordinating Committee - Bill Monte, Mo Sessions

Banquet Committee - Jeanette Moore, Sara Hutchinson, William Griffin

Other committees will be named later.

1985-86 City of Elba budget

nears \$1½ million mark

The Elba City Council adopted a 1.4 million dollar budget Monday night. The budget will cover the fiscal year from October 1 through September 30, 1986. If projections hold true, the city will end the year with a surplus.

Council member Jack Prescott was the only member not present at the short meeting Monday evening. He continues to recuperate from surgery and is expected back within a few weeks.

The street department will take the largest chunk of the budget at \$273,500. This will be consumed mostly by salaries and supplies, but will also include cost of using the county landfill for garbage and for the ongoing sidewalk repair project.

The police department at \$245,050. This too will be largely salaries, but \$28,940 is budgeted for police car expense. Utilities, uniforms, training and travel consume most of the balance.

Repayment of borrowed money will take \$185,086. This includes money borrowed to build schools, repair the reserve center, build sewer system, purchase city hall and the police station, as well as money borrowed last year to build the fire station, swimming pool and purchase a new fire truck.

It will cost \$95,200 to operate the recreation department for the coming year. This includes \$45,000 in salaries, \$14,000 for uniforms of teams, \$12,000 to pay part-time officials at baseball, softball and football games. Supplies are estimated to cost \$12,000 and park maintenance \$11,000.

Appropriations to the schools will be \$61,000; library - \$6,500; Senior Citizens Center - \$22,000; Rescue Squad - \$3,500; are the major items in the \$125,000 appropriations budget. Coffee County Arts Alliance, South Central Mental Health, health department, etc., make up the balance.

The fire department will spend an estimated \$31,000 during the

coming year, with \$22,000 of that going to salaries. The amount of \$3,250 will be spent on supplies, and \$2,000 will be the cost of repairs. It will also cost \$16,000 to maintain the fire telephones.

The city pays \$42,500 into the retirement program for employees and has allotted \$40,000 for pay raises.

Capital expenditures are going to be limited to buying a new police car at \$11,000, and making the down payment on a new street sweeper at \$15,000.

Many expenses are classified as administrative and this category is budgeted at \$214,000. It includes \$50,000 for salaries, over \$80,000 for insurance, \$38,000 for payroll taxes and \$10,000 for office expense.

The income for the above expenditures will come mostly from sales tax at \$450,000, followed by sewer fees and revenue sharing, both at \$110,000. Privilege licenses will bring in \$80,000, and transfers from the water and electric department are pegged at \$96,000.

The hospital board is expected to generate \$50,000 for the city, and the reserve center rent is set at \$36,000 and gas district funds at \$25,000.

Ad valorem tax and gasoline tax will each generate \$45,000 and the recreation department input should be \$22,000 from fees and concession sales. Police fines are projected at \$18,000 and car tags at \$15,000. Building fees will total \$1500 if the year is a normal one, and the Senior Citizens program will generate \$9,000 (from federal funds).

The income total of \$1,345,300 will exceed the planned expenditures, leaving a surplus of \$67,214.

1985-86 City of Elba budget

nears \$1½ million mark

The Elba City Council adopted a 1.4 million dollar budget Monday night. The budget will cover the fiscal year from October 1 through September 30, 1986. If projections hold true, the city will end the year with a surplus.

Council member Jack Prescott was the only member not present at the short meeting Monday evening. He continues to recuperate from surgery and is expected back within a few weeks.

The street department will take the largest chunk of the budget at \$273,500. This will be consumed mostly by salaries and supplies, but will also include cost of using the county landfill for garbage and for the ongoing sidewalk repair project.

The police department at \$245,050. This too will be largely salaries, but \$28,940 is budgeted for police car expense. Utilities, uniforms, training and travel consume most of the balance.

Repayment of borrowed money will take \$185,086. This includes money borrowed to build schools, repair the reserve center, build sewer system, purchase city hall and the police station, as well as money borrowed last year to build the fire station, swimming pool and purchase a new fire truck.

It will cost \$95,200 to operate the recreation department for the coming year. This includes \$45,000 in salaries, \$14,000 for uniforms of teams, \$12,000 to pay part-time officials at baseball, softball and football games. Supplies are estimated to cost \$12,000 and park maintenance \$11,000.

Appropriations to the schools will be \$61,000; library - \$6,500; Senior Citizens Center - \$22,000; Rescue Squad - \$3,500; are the major items in the \$125,000 appropriations budget. Coffee County Arts Alliance, South Central Mental Health, health department, etc., make up the balance.

The fire department will spend an estimated \$31,000 during the
